“Nice, modern edgy feel to the place, with a mixture of people. The service was very friendly and quick. The food was great! It was just after 11.00am when I left and with the location overlooking the estuary in Malahide (several people chose to eat outside) with the unusually beautiful weather (nearly 20 degrees!) you could be anywhere.....”

TripAdvisor Review

“A warm welcome when we arrived. The place was buzzing, just as well we booked as there was not one available table. Toilets were so clean you could literally eat your dinner there. Excellent lunch menu at affordable prices. I had the Caesar salad which was to die for and my partner had the crab salad which was also to die for. This new restaurant brings is a breath of fresh air to the area. I am lucky to have an excellent eatery 2 mins from home. Will be back Saturday morning for brunch”
